Zajac Ranch Update

SUMMER CAMPS UNDERWAY!

Summer camps at the Zajac Ranch for Children are currently underway and so far, it has been a huge hit to all our campers! So far, we have welcomed **over 249 campers** this season. We have received amazing feedback from the campers and their families and we can't wait to continue elevating this impactful program.

This year, our High Ropes course is being rebuilt in order to ensure that we are meeting all safety standards and requirements. While our High Ropes course is still under construction, our **new Climbing Wall was completed** and opened just in time for this summer camp season! Campers have enjoyed challenging themselves on the new course and reaching for new heights!

We also welcomed a new team to the Zajac Ranch this year, who have been **exceptional!** Led by our new Camp Director **Andrew Casey**, the team have gone above and beyond to make sure that everyone has had a magical experience at the Ranch and have kept all of our campers safe, supported and happy. Our biggest gratitude goes toward this incredible team - **we could not do it without them!**

On June 7, Triwest Mechanical Ltd hosted their annual Golf Tournament in support of the Zajac Ranch for Children, which raised over \$8000 this year. As a long-standing donor for Zajac, Triwest has fundraised a grand total of \$125,050 since their first golf tournament fundraiser in 2008. Thanks to Triwest and their support, we have been able to send hundreds of kids with complex medical conditions to the Zajac Ranch!

Even more, Triwest has gone above and beyond by providing their services to the ranch over the years, including the mechanical work during the build of our swimming pool and on the residences! We are incredibly grateful for Jim Keeley (President) and the amazing team at Triwest Mechanical for their long-time support of the Zajac Ranch for Children!
